19			80,467
20			82,168
21			83,867
22			85,565

STEPS: Steps represent years of service (one year of service per step). Employees new to the district shall be given year for year credit (full time certificated employment for at least 75% of a given year) for a maximum of three (3) years K-12 teaching experience in an accredited public school, with a maximum placement on the fourth (4) step. To receive credit for a year of service, an employee must have served in the district a minimum of 75 percent of the number of work days for that year. Speech Therapists new to the district shall be given year for year credit for a maximum of three years (including clinical experience) and shall receive the following salary bonus in accordance with step placement: Step 1-7 = \$3,000, Step 8-14 = \$2,500, Step 15-22 = \$2,000
