Principal's Message

With school starting the earliest it ever has, here is a quick hello and welcome back to what promises to be another great year of school.

With the ever-changing financial atmosphere swirling around education today, it is imperative that we keep our mission clear and concise. You will notice a schoolwide focus on three areas that will permeate our school. These areas include: safety, respect, and responsibility. The overarching principle that guides these three areas is "Focus on Instruction." During this school year, you will see the beginning stages of "BEST Behavior." BEST Behavior is reflected in building positive behavior support in our school. Again, with BEST Behavior supporting our Focus on Instruction, Pinon Mesa Middle School will be a great place for learning.

Please visit our website at www.snowlineschools.com and click on "our schools" and go to Pinon Mesa Middle School to view information and stay informed. You will see an event calendar, Principal's Message, School Announcements, and more. Also, Pinon Mesa teachers and staff will have an e-mail link for quick and easy communication. Please take advantage of this new opportunity.

Finally, we encourage your student to participate in the many extracurricular and co-curricular opportunities that are offered at Pinon Mesa Middle School. Research has continually shown a link to school and student success with these types of activities. Please encourage your student to participate. Also, please update your student's information so we are able to keep our records up to date. We know it can be laborious, but it will benefit us all.

On behalf of the entire Pinon Mesa Middle School staff, we are looking forward to another great school year working closely together as parents and teachers to support our students. Congratulations, and welcome to Pinon Mesa Middle School.

Mission Statement

Learning for ALL...Whatever It Takes.

School Profile

Pinon Mesa Middle School is located in the central region of the district's boundaries and serves students in grades 6-8 following a traditional calendar. At the beginning of the 2008-09 school year, 925 students were enrolled, including 13% in special education, 13% qualifying for English Learner support, and 47% qualifying for free or reduced price lunch. Pinon Mesa Middle School achieved a 2009 Academic Performance Index score of 790. Pinon Mesa Middle School offers a rigorous, standards-based curriculum tailored to fit the emotional and academic needs of the middle school student.

Pinon Mesa Middle School follows a flexible course schedule with extended blocks of instructional time for core subjects. Students receive 74 minutes of language arts and math instruction daily and 74 minutes of social science and science instruction every other day. During a 40-minute flex period, students are grouped by reading level; class activities focus on either intervention or enrichment lessons. Flexible scheduling enables teachers to train and collaborate more effectively and students to receive intervention in areas of need during the regular school day.

Percentage of Students by Ethnicity
2008-09 Enrollment: 925

Caucasian	60.43 %
Hispanic or Latino	33.30 %
African-Amer.	2.16 %
Asian	1.95 %
Multiple/No Response	1.41 %
Amer. Indian or Alaskan Native	0.54 %
Filipino	0.22 %

Student Achievement

National Assessment of Educational Progress (NAEP)

NAEP is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in math, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and math are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English language learners (ELL) are reported based on three levels (identified, excluded, and assessed).

In the following table, only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either Snowline Joint Unified School District or Pinon Mesa Middle School. Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the NAEP web page at <http://nces.ed.gov/nationsreportcard/>.

Note: Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. Information on the differences between NAEP and CST can be found on the CDE NAEP web page at <http://www.cde.ca.gov/ta/tg/nr/>.

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Physical Fitness

In the spring of each year, Pinon Mesa Middle School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2008-09			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	-	-	-
Seventh	13.6	28.2	46.4
Ninth	-	-	-

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2006	2007	2008
Statewide Rank	6	7	7
Similar Schools Rank	2	8	8

Results generated from 2006, 2007, and 2008 Base API Reports

Results generated from 2007, 2008, and 2009 Growth API Reports

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2008-09 AYP cycle, elementary and middle schools must achieve a 46% or higher proficiency rate in English/Language Arts and 47.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 650 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2008-09		
AYP Indicator	PMMS	SJUSD
Overall Results	No	No
<i>Participation Rate</i>		
Language Arts	Yes	Yes
Math	Yes	Yes
<i>Percent Proficient (CST Exam)</i>		
Language Arts	No	No
Math	No	No
API Score 0 or Increase API by 0 point	Yes	Yes
Graduation Rate	N/A	Yes

Did the school and district meet or exceed 2009 AYP performance criteria in each of the areas listed below?

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2008-09, Pinon Mesa Middle School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status		
	PMMS	SJUSD

N/A = not participating in Title I Program

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom or simply attending school events. The Parent Teacher Team (PTT) bridges the gap between parents and school. PTT sponsors Scholastic book fairs, holiday shop, bake sales, mother's day boutique, Save Our Staff, and much more.

Parents stay informed on upcoming events and school activities through ConnectEd, school web site, school marquee, email, monthly newsletters, monthly calendars, and progress reports. Contact Susan Knight at (760) 868-3126 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Pinon Mesa Middle School's original facilities were built in 1986; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of new concrete walkways and sidewalks
- Reinforce and repaint weight room walls
- Reinforce and repaint exercise room
- Reconfigure parking lot to improve traffic flow and safety
- Refurbish drinking fountains
- Installation of new flooring in MPR
- Installation of carpeting in two classrooms
- Replace section of roof system on G Building and gym locker room

Every morning before school begins, the day custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and four evening custodians are assigned to Pinon Mesa Middle School. The day custodian is responsible for:

- Office Area Cleaning
- Cafeteria Setup/Cleanup
- General Cleaning of Classrooms and Restrooms

Restrooms are checked hourly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Restroom Cleaning
- Comprehensive Classroom Cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Deferred Maintenance

Pinon Mesa Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2008-09 school year, Pinon Mesa Middle School received \$129,943 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Plumbing
- Floor Systems

For the 2008-09 school year, the district has budgeted \$427,000 for the deferred maintenance program. This represents 0.7 % of the Snowline Joint Unified School District general fund budget.

Facilities Inspection

The district's maintenance department inspects Pinon Mesa Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Pinon Mesa Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, August 10, 2009. During fiscal year 2008-09, all restrooms were fully functional and available for student use.

School Facility Good Repair Status Most Recent Inspection: Monday, August 10, 2009

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals patrol the campus, entrance areas, and designated common areas: proctors, teachers, and all administrators. The principal, assistant principal, dean of students, and campus monitors supervise lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, all administrators, the resource officer, and two proctors monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Pinon Mesa Middle School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Pinon Mesa Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2009.

Classroom Environment

Discipline & Climate for Learning

Pinon Mesa Middle School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating

positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	PMMS		
	06-07	07-08	08-09
Suspensions (#)	145	282	114
Suspensions (%)	14.81 %	30.23 %	12.38 %
Expulsions (#)	31	24	15
Expulsions (%)	3.17 %	2.57 %	1.63 %
	SJUSD Middle Schools		
	06-07	07-08	08-09
Suspensions (#)	261	393	267
Suspensions (%)	12.39 %	18.86 %	13.33 %
Expulsions (#)	57	41	42
Expulsions (%)	2.71 %	1.97 %	2.10 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Teaching Load

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Pinon Mesa Middle School revolve around the California State Content Standards and Frameworks. Professional development activities continue to support the expanding

implementation of Focus on Standards (FOS) into grade level and course collaboration efforts. Decisions concerning selection of staff development activities are performed by FOS coaches (designated school administrators and teacher representatives) using tools such as state assessment results, teacher surveys, NCLB requirements, and state curriculum frameworks and standards to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels.

During the 2008-09 school year, Pinon Mesa Middle School participated in one district-sponsored staff development day which focused on GLAD training (Guided Language Acquisition Design) and BEST Behavior training (classroom management). Ongoing site level implementation of FOS activities at Pinon Mesa Middle School took place weekly. Teachers meet in grade level and department teams to analyze assessment results, redirect instruction accordingly and plan intervention. Supplemental staff development training takes place in the morning before students arrive for instruction.

Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2008-09 school year, district offerings included:

- Response to Intervention
- DIBELS Assessment Administration Training
- Pacing, Assessments, and Instructional Pieces
- Reading Intervention Training for Upper Grades
- Differentiated Instruction Training for Gifted & Talented Students
- Writing Instruction
- Research Based Best Practices Based on Dr. Riggs' Work
- FOS - Collaboration
- Special Education

Pinon Mesa Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Pinon Mesa Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 22, 2009, the Snowline Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education

adopted Resolution #10-932 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Snowline Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Pinon Mesa Middle School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Pinon Mesa Middle School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2008-09		
	No. of Staff	FTE
Counselor	2	2.0
Health Technicians	2	1.0
Clinical Psychologist	1	.6
Nurse	1	.2
Speech & Language Pathologist	1	.8

FTE = Full-Time Equivalent

Teacher Assignment

During the 2008-09 school year, Pinon Mesa Middle School had 41 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2008-09		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Pinon Mesa Middle School	100.0 %	0.0 %

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2007-08 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2007-08		
	SJUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$41,284	\$40,917
Mid-Range Teacher Salary	\$73,553	\$64,688
Highest Teacher Salary	\$88,313	\$82,849
Superintendent Salary	\$164,197	\$176,845
Average Principal Salaries:		
Middle School	\$110,683	\$108,050
Percentage of General Fund Expenditures for:		
Teacher Salaries	43.5%	40.3%
Administrative Salaries	5.7%	5.9%

Expenditures Per Student

For the 2007-08 school year, Snowline Joint Unified School District spent an average of \$7,407 of total general funds to educate each student (based on 2007-08 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction,

and certain other expenditures.)

In addition to general fund state funding, Snowline Joint Unified School District receives state and federal categorical funding for special programs. For the 2007-08 school year, the district received categorical, special education, and support programs funds for:

- After School Learning & Safety
- Agricultural Vocational Incentive Grants
- Arts & Music Block Grant
- CA High School Exit Examination
- California Peer Assistance & Review Program for Teachers (CPARP)
- Class Size Reduction Facilities Funding
- Discretionary Block Grant
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented Education (GATE)
- Instructional Materials
- Lottery: Instructional Materials
- Partnership Academies Program
- Professional Development Block Grant
- Pupil Retention Block Grant
- Regional Occupation Centers and Programs (ROC/P)
- School & Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12
- Special Education
- Supplemental School Counseling Program
- Teacher Recruitment/Incentives
- Title I
- Title II
- Title III
- Title IV
- Title V
- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
- Vocational Programs
