Principal's Message

I would like to welcome you to Wrightwood Elementary School's Annual School Accountability Report Card. Whether you are a student, parent, staff, or community member, the data contained within these pages will prove useful in informing you about our school and community.

In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card. We view this as not only a means of complying with state legislature, but as an opportunity to keep our community well informed. We desire to keep the lines of communication open and welcome any suggestions, comments, or questions you may have.

Mission Statement

Learning for ALL...Whatever It Takes!

School Profile

Wrightwood Elementary School is located in the southwestern region of the district's boundaries and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2008-09 school year, 349 students were enrolled, including 9% in special education, 1% qualifying for English Language Learner support, and 23% qualifying for free or reduced price lunch. Wrightwood Elementary School achieved a 2009 Academic Performance Index (API) score of 883 and met all 2009 Adequate Yearly Progress criteria

Wrightwood Elementary is situated under tall pines and snow-capped mountains in the small town of Wrightwood. The campus radiates a small community atmosphere and classrooms offer a family-style environment. Teaching staff is comprised of a unique blend of experienced veterans and enthusiastic newcomers. All school staff share a dedication to student success using standards-based instruction and research-based instructional strategies.

Percentage of Students by Ethnicity
2008-09 Enrollment: 349

Caucasian	86.25 %
Hispanic or Latino	9.17 %
Multiple/No Response	2.01 %
African-Amer.	1.43 %
Asian	0.86 %
Filipino	0.29 %

Student Achievement

National Assessment of Educational Progress (NAEP)

NAEP is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in math, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and math are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English language learners (ELL) are reported based on three levels (identified, excluded, and assessed).

In the following table, only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either Snowline Joint Unified School District or Wrightwood Elementary School. Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the NAEP web page at <http://nces.ed.gov/nationsreportcard/>.

Note: Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. Information on the differences between NAEP and CST can be found on the CDE NAEP web page at <http://www.cde.ca.gov/ta/tg/nr/>.

National Assessment of Educational Progress - State of California Student Performance Levels Reading 2007 & Math 2009 Grades Four & Eight

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment

(CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Social Science						

Physical Fitness

In the spring of each year, Wrightwood Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2008-09			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	14.7	29.4	41.2
Seventh	-	-	-
Ninth	-	-	-

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2006	2007	2008
Statewide Rank	9	9	9
Similar Schools Rank	7	6	7

Results generated from 2006, 2007, and 2008 Base API Reports

Results generated from 2007, 2008, and 2009 Growth API Reports

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine

whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2008-09 AYP cycle, elementary and middle schools must achieve a 46% or higher proficiency rate in English/Language Arts and 47.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 650 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2008-09		
<i>Did the school and district meet or exceed 2009 AYP performance criteria in each of the areas listed below?</i>		
AYP Indicator	WES	SJUSD
Overall Results	Yes	No
<i>Participation Rate</i>		
Language Arts	Yes	Yes
Math	Yes	Yes
<i>Percent Proficient (CST Exam)</i>		
Language Arts	Yes	No
Math	Yes	No
API Score 650 or Increase API by 1 point	Yes	Yes
Graduation Rate	N/A	Yes

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2008-09, Wrightwood Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through ConnectEd, school newsletters, school web site, school marquee, email, phone calls, and quarterly student progress reports. Contact the PTG President, school office staff, or your child's teacher at (760) 249-5828 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Wrightwood Elementary School's original facilities were built in 1928; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of new ramps for three portable classrooms
- Upgrade perimeter fence and entrance gates to enable community access to the park area of the campus
- Installation of new carpet in computer lab and library
- Painted upper hallway
- Removed old asphalt and repaved lower playground

Every morning before school begins, all staff inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Wrightwood Elementary School. The day custodian is responsible for:

- Restrooms
- Cafeteria Setup/Cleanup
- Office Area Cleaning

- General Cleaning of Classrooms
- Special Events Preparations

Restrooms are frequently checked throughout the day for cleanliness and subsequently cleaned as needed. Evening custodians are responsible for thoroughly cleaning classrooms. The principal communicates with custodial staff weekly concerning maintenance and school safety issues.

Campus Description	
Year Built	1928
Acreage	-

Support Services Office	1
Teacher Work Room	1

Deferred Maintenance

Wrightwood Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2008-09 school year, Wrightwood Elementary School received \$25,852 in deferred maintenance funds for the repair and/or maintenance of:

- Interior/Exterior Painting
- Floor Systems
- Other Systems

For the 2008-09 school year, the district has budgeted \$427,000 for the deferred maintenance program. This represents 0.7 % of the Snowline Joint Unified School District general fund budget.

Facilities Inspection

The district's maintenance department inspects Wrightwood Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Wrightwood Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, August 12, 2009. During fiscal year 2008-09, all restrooms were fully functional and available for student use.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
		✓	

Rating Description

Fair: The school is not in good repair. Some deficiencies noted are critical and/or widespread. Repairs and/or additional maintenance are necessary in several areas of the school site.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, teachers are strategically assigned to designated entrance areas and the playground. During recess, campus monitors supervise playground activity. The principal and campus monitors supervise lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, teachers monitor student behavior to ensure a safe and orderly departure. Wrightwood Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Wrightwood Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's current safety plan was reviewed, updated, and discussed with staff in March 2009.

Classroom Environment

Discipline & Climate for Learning

Wrightwood Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following

school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	WES		
	06-07	07-08	08-09
Suspensions (#)	0	1	1
Suspensions (%)	0.00 %	0.28 %	0.29 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %
SJUSD Elementary Schools			
Suspensions (#)	151	235	104
Suspensions (%)	4.20 %	6.01 %	2.78 %
Expulsions (#)	2	2	1
Expulsions (%)	0.06 %	0.05 %	0.03 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Class Size Distribution Self-Contained Classes				
Grade	Avg. Class Size	2006-07		
		Number of Classrooms		
		1-20	21-32	33+

3	27.7		3	
4	30.0		1	
5	28.0		2	
Combo 4-8	29.0		1	

Combo classes are any combination of the grades shown.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Wrightwood Elementary School revolve around the California State Content Standards and Frameworks. Professional development activities continue to support the ongoing implementation of Focus on Standards (FOS) into grade level and course collaboration efforts. Decisions concerning selection of staff development activities are performed by FOS coaches (designated school administrators and teacher representatives) using tools such as state assessment results, teacher surveys, NCLB requirements, and state curriculum frameworks and standards to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels.

During the 2008-09 school year, Wrightwood Elementary School staff participated in one district-sponsored staff development day which focused on improving teaching strategies to increase writing proficiency levels. Site-level implementation of FOS at Wrightwood Elementary School takes place every Tuesday afternoon. Teachers meet in grade level and department teams to analyze assessment results, redirect instruction accordingly, and plan interventions. During the 2008-09 school year, supplemental staff training emphasized 1) Accelerated Reader and writing instruction, 2) developing consistency across the curriculum in all subject areas and grade levels, and 3) the Response to Intervention model using DIBELS assessments.

Teaching staff may participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2008-09 school year, district training opportunities included:

- Response to Intervention
- DIBELS Assessment Administration Training
- Pacing, Assessments, and Instructional Pieces
- Reading Intervention Training for Upper Grades
- Differentiated Instruction Training for Gifted & Talented Students
- Writing Instruction
- Research Based Best Practices Based on Dr. Riggs' Work
- FOS - Collaboration
- Special Education

Wrightwood Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Classified support staff receive job-related training from department supervisors and district representatives.

0	0	1

Instructional Materials

All textbooks used in the core curriculum at Wrightwood Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 22, 2009, the Snowline Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #10-932 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Snowline Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Wrightwood Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Wrightwood Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2008-09		
	No. of Staff	FTE
Campus Monitors	4	1.0
Counselor	1	.4
Health Technician	1	.2
Nurse	1	.2
Psychologist	1	.2
Speech & Language Specialist	1	.4

FTE = Full-Time Equivalent

Teacher Assignment

During the 2008-09 school year, Wrightwood Elementary School had 19 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2007-08 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2007-08		
	SJUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$41,284	\$40,917

Teacher Salaries	43.5%	40.3%
Administrative Salaries	5.7%	5.9%

Expenditures Per Student

For the 2007-08 school year, Snowline Joint Unified School District spent an average of \$7,407 of total general funds to educate each student (based on 2007-08 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Snowline Joint Unified School District receives state and federal categorical funding for special programs. For the 2007-08 school year, the district

received categorical, special education, and support programs funds for:

- After School Learning & Safety
- Agricultural Vocational Incentive Grants
- Arts & Music Block Grant
- CA High School Exit Examination
- California Peer Assistance & Review Program for Teachers(CPARP)
