Principal's Message

I'd like to welcome you to Wrightwood Elementary School's Annual School Accountability Report Card. Whether you are a student, parent, staff, or community member, the data contained within these pages will prove useful in informing you about our school and community.

In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card. We view this as not only a means of complying with state legislature, but as an opportunity to keep our community well informed. We desire to keep the lines of communication open and welcome any suggestions, comments, or questions you may have.

Mission Statement

Learning for ALL...Whatever It Takes!

School Profile

Wrightwood Elementary School is located in the southwestern region of Wrightwood and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2010-11 school year, 327 students were enrolled, including 5% in special education, 2% qualifying for English Language Learner support, and 29% qualifying for free or reduced price lunch. Wrightwood Elementary School achieved a 2011 Academic Performance Index (API) score of 883.

Wrightwood Elementary is situated under tall pines and snow-capped mountains in the small town of Wrightwood. The campus radiates a small community atmosphere and classrooms offer a family-style environment. Teaching staff is comprised of a unique blend of experienced veterans and enthusiastic newcomers. All school staff share a dedication to student success using standards-based instruction and research-based instructional strategies.

Student Enrollment by Ethnicity / Grade Level
2010-11

Ethnic Group	%	Grade Level	
			#
African-Amer.	2.45 %	Kindergarten	58

Hisp. or Latino	14.07 %	Grade 4	57
Pacific Islander	0.00 %	Grade 5	55
Caucasian	81.65 %		
Multi-Racial	0.00 %		
Total Enrollment			327

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Wrightwood Elementary School			District			California		
	08-09	09-10	10-11	08-09	09-10	10-11	08-09	09-10	10-11

Social Science	64							

Physical Fitness

In the spring of each year, Wrightwood Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each

student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2010-11			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	19	37.9	32.8
Seventh			
Ninth			

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2008	2009	2010
Statewide Rank	9	9	9
Similar Schools Rank	6	7	9

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2010-11 AYP cycle, elementary and middle schools must achieve a 67.6% or higher proficiency rate in all subgroup populations for English/Language Arts and 68.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 710 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2010-11		
<i>Did the school and district meet or exceed 2011 AYP performance criteria in each of the areas listed below?</i>

Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	No	No
Math	No	No
API Score	Yes	Yes
Graduation Rate	N/A	No

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2010-11, Wrightwood Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through ConnectEd (automated telephone message delivery system), email, school marquee, school newsletters, school website, phone calls, and quarterly student progress reports. Contact the PTG President, school office staff, or your child's teacher at (760) 249-5828 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Wrightwood Elementary School's original facilities were built in 1928; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, all staff members inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Wrightwood Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning
- Special events preparations

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Comprehensive classroom cleaning
- Security and campus closing procedures at the end of the day

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Deferred Maintenance

Wrightwood Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2010-11 school year, Wrightwood Elementary School received \$10,138 in deferred maintenance funds for the repair and/or maintenance of:

- Heating/Air Conditioning Systems
- Electrical Systems
- Other Systems

For the 2011-12 school year, the district has budgeted \$250,000 for the deferred maintenance program. This represents 0.4% of the Snowline Joint Unified School District general fund budget.

Facilities Inspection

The district's maintenance department inspects Wrightwood Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Wrightwood Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, December 21, 2011. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2010-11, all restrooms were fully functional and available for student use.

School Facility Good Repair Status

(D)	Room 14: broken diffusers, this room is used for storage.
(G)	Room 18: needs roof repair, stained ceiling tiles.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas and the playground: teachers. During recess, the

principal and campus monitors supervise playground activity. The principal and campus monitors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators and teachers monitor student behavior to ensure a safe and orderly departure.

Wrightwood Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Wrightwood Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2011.

Classroom Environment

Discipline & Climate for Learning

Wrightwood Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	WES		
	08-09	09-10	10-11
Suspensions (#)	1	0	0

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Wrightwood Elementary School revolve around the California State Content Standards and Frameworks. Professional development activities continue to support the ongoing implementation of standards-based instruction and formative assessment, intervention, and enrichment. School-wide and grade-level collaborative efforts focus on students learning the standards through differentiated instruction. Professional development activities also continue to support the ongoing implementation of Response to Instruction and Intervention (Rti²). All teachers receive training in ELD standards and strategies to help English learners gain access to the core curriculum.

Decisions concerning selection of staff development activities are performed by the principal using tools such as data analysis and teacher surveys to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels.

Wrightwood Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to support successful implementation of Response to Instruction and Intervention strategies.

Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training

session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2010-11 school year, Wrightwood Elementary School's teachers attended the following events hosted by the Snowline Joint Unified School District:

- Data Management and Analysis
- English Language Development
- Instruction and Assessment
- Gifted and Talented Education
- Positive Behavior Intervention and Support (PBIS)
- Response to Instruction and Intervention (RTI²)
- Technology

Wrightwood Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences.

Instructional Materials

All textbooks used in the core curriculum at Wrightwood Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 13, 2011, the Snowline Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #12-1019 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2011-12 school year, Snowline Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Wrightwood Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Wrightwood Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2010-11		
	No. of Staff	FTE
Counselor	1	.4
Campus Monitors	4	1.0
Health Technician	1	1.0
Nurse	1	.2
Psychologist	1	.2
Speech & Language Specialist	1	.5

FTE = Full-Time Equivalent

Teacher Assignment

During the 2010-11 school year, Wrightwood Elementary School had 13 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2009-10 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2009-10		
	State Average of Districts in Same Category	
	SJUSD	
Beginning Teacher Salary	\$40,174	\$41,284
Mid-Range Teacher Salary	\$71,576	\$65,173
Highest Teacher Salary	\$85,939	\$83,460
Superintendent Salary	\$186,437	\$179,397
Average Principal Salaries:		
Elementary School	\$108,048	\$102,834
Percentage of General Fund Expenditures for:		
Teacher Salaries	44%	40%
Administrative Salaries	6%	6%

Expenditures Per Student

For the 2009-10 school year, Snowline Joint Unified School District spent an average of \$6,916 of total general funds to educate each student (based on 2009-10 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Snowline Joint Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the district received categorical, special education, and support programs funds for:

- After School Learning & Safe Neighborhood Partnerships
- Agricultural Vocational Incentive Grants
- ARRA: State Fiscal Stabilization Fund
